RESOLUTION NO. _____

RESOLUTION ADDRESSING LIMITED CONFLICT OF
INTEREST WAIVER REQUESTS FOR STATE CONTRACT
LOBBYISTS

WHEREAS, on November 11, 1999, the Board approved Resolution No. 1236-99, which provided that no county lobbyist or subcontractors shall represent any client and/or issue that may be adverse to the County without first requesting and obtaining permission from the County; and

WHEREAS, on May 9, 2000, the Board passed Ordinance No. 00-64, which provided that no person or entity, whether an individual, firm, partnership or corporation, which received compensation from the county for lobbying on behalf of the county or any of its agencies or instrumentalities at either the state, national or municipal level shall represent any entity in any forum to support a position in opposition to a position of the county unless the Board grants a specific waiver for a specific lobbying activity; and

WHEREAS, on September 26, 2006, the Board approved Resolution No. 1070-06, which authorized the County Manager to execute one-year agreements that included three one-year extensions with Ronald L. Book, P.A. and Rutledge, Ecenia, Purnell & Hoffman, P.A. for governmental representation before the Florida Legislature and the State of Florida executive branch ("the Agreements"); and

WHEREAS, the Agreements include various subconsultants consisting of Becker & Poliakoff, Dutko Poole McKinley, Gomez Barker Associates, Inc., and Pittman Law Group; and

WHEREAS, the Agreements require all County lobbyists, including both prime consultants and subconsultants, to comply with Resolution No. 1236-99, Ordinance No. 00-64, as well as the County's Conflict of Interest Ordinance, Ordinance No. 72-82, as amended; and

WHEREAS, the Agreements provide that the Board may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (1) grant a waiver and allow the Lobbyist or subcontractor to continue to represent both the County and the other party; (2) refuse to grant a waiver and require the Lobbyist and/or employee, partner, or subcontractor to choose between representing the County or the other party, or to discontinue representing the other party; (3) refuse to grant a waiver and void its contract with the Lobbyist, and/or employee, partner, or subcontractor; and (4) grant a limited waiver and allow the Lobbyist and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate; and

WHEREAS, the conflict waiver requests and letters submitted by consultants and subconsultants pursuant to the Agreements are attached; and

WHEREAS, on November 26, 2006, this Board passed Resolution No. 1337-06, which urged the Florida Legislature to prohibit the use of cellular telephones while driving in a school zone at times when reduced speeds are in effect; and

WHEREAS, Dutko Poole McKinley, Gomez Barker Associates, Inc., and Rutledge, Ecenia, Purnell & Hoffman, P.A. have indicated in their attached letters that they have a potential conflict with Resolution No. 1337-06; and

WHEREAS, as part of the State Legislative Package approved by the Board on December 19, 2006, the Board supported legislation that would require utilities to have an Energy Net Metering Program for customer-generated electricity; and

WHEREAS, Becker & Poliakoff, Dutko Poole McKinley, Gomez Barker Associates, Inc., Ronald L. Book, P.A., and Rutledge, Ecenia, Purnell & Hoffman, P.A. have indicated in their attached letters that they have a potential conflict with the Energy Net Metering issue in the County's State Legislative Package; and

WHEREAS, as part of the State Legislative Package approved by the Board on December 19, 2006, the Board opposed any legislation that would preempt local governments from serving as the franchising authority for cable TV service providers or would limit local government's ability to enact or enforce consumer protection laws related to cable TV service or to handle complaints from consumers; and

WHEREAS, Becker & Poliakoff, Gomez Barker Associates, Inc., Ronald L. Book, P.A., and Pittman Law Group have indicated in their attached letters that they have a potential conflict with the Cable TV Franchising issue in the County's State Legislative Package; and

WHEREAS, legislation is being considered that would preempt local governments from regulating limerock mining; and

WHEREAS, Ronald L. Book, P.A. has indicated that they have a potential conflict between representing the County and representing White Rock Quarries; and

WHEREAS, bills have been filed at the request of the Florida League of Cities that would preempt charter county land use control over municipalities, HB 791 and SB 2080; and

WHEREAS, in past years the charter county preemption bills expressly have exempted Miami-Dade County out of the provisions of the bill, but this year's bills "apply to Miami- Dade

County and its municipalities to the extent permitted by the home rule charter established pursuant to s. 6(e), Art. VIII of the State Constitution....”; and

WHEREAS, the Florida League of Cities has agreed to ask the sponsors of the charter county preemption bills to return the language to that contained in the bill from previous years that expressly exempts Miami-Dade County out of the bills; and

WHEREAS, Pittman Law Group has indicated in their attached letter that they have a potential conflict with the charter county preemption bills; and

WHEREAS, the fact that the lobbying firms that the County hires have multiple clients reflects that other public and private entities besides the County recognize these lobbyists' effectiveness,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board grants limited conflict waivers in the situations set forth above. Lobbying firms shall have the limited ability to represent both the County and their other clients, but such representation shall be limited only to those issues where no conflict exists with the County. Dear Joe:

This is to inform you that I represent AT&T and that a conflict appears to exist with regard to the issues of cable and television video franchising and the ban on cell phones in school zones. Although I have not been assigned to represent Miami-Dade on neither of these matters, and, in fact, AT&T has provided no direction with regard to the cell phone ban, I thought it best to clearly outline the potential conflict(s).

I think it important to note that the Association of Counties and the League of Cities are currently discussing a compromise regarding the cable franchising bill with the various telecommunications providers. As such, this issue may not continue to be in dispute subsequent to the conclusion of said negotiations.

I trust you will not hesitate to contact me if you need additional information or have any questions.

Sincerely,

Dear Joe:

Pursuant to the conflict-of-interest provisions adopted by the Board of County Commissioners, please note that this firm will maintain legislative and/or executive branch lobbyist registration for the entities listed on the attached document for the forthcoming legislative year. Except for the issues of cable and television franchising and the cell phone ban in school zones, both related to AT&T and for which a conflict letter has today been submitted to your office, I do not anticipate a conflict-of-interest with any matter on the County's legislative priority list.

Please do not hesitate to contact me if you have any questions or desire additional information.

Sincerely,

RE: Contract Number Q75B

Dear Commissioners:

Pursuant to Contract Number Q75B between Miami-Dade County and this firm, this correspondence discloses a possible conflict with one item in the County's 2007 Legislative Priorities.

Regarding the issue of cell phone usage while driving in a school zone, our firm currently represents T-Mobile. While T-Mobile would support hands free only driving in a school zone, it will not support a total ban.

Finally, please be advised that our firm represents Florida Power & Light, although we do not represent such client before the Florida Legislature. This is being disclosed because of the issue regarding net energy metering.

Thank you for your consideration of this matter.

Sincerely,

Gary R. Rutledge

Re: Limited Waiver Request

Dear Mr. Rasco:

Pursuant to County Ordinance number 00-64, we hereby request a limited contract waiver to Becker & Poliakoff to allow us to represent both the County and AT&T only on issues not in conflict with the County. Specifically, you have indicated that Miami-Dade County is opposed to HB 529. We are not the lead lobbyist on this issue. Therefore, we hereby request a limited contract waiver.

Should you have any questions, please feel free to contact me.
